

## REGISTRATION INFORMATION

2018-2019

Thank you for registering at Adath Israel Congregational School. We are very pleased to offer a program that will inspire our students to celebrate their Jewishness through:

- Discovering holidays and traditions
- Appreciating the importance of the State of Israel
- Learning and practicing significant prayers

We will accomplish these goals through Critical Thinking and Project Based Learning. We will inspire our students to ask questions about Judaism and seek answers continually as they mature.

Enclosed please find an application for our school. A detailed package requiring personal and medical information as well as the parent handbook and calendar will be sent to you in the summer. You can also access the information at [www.adathisrael.com](http://www.adathisrael.com).
