MACHZOR LEV SHALEM BUY YOUR COPY TODAY

Adath Israel is pleased to announce
that for the 2022 High Holidays we
will be using **Mahzor Lev Shalem**
in addition to the **Silverman High
Holiday Prayer Book**.

After a significant search, Adath Israel has
chosen **Mahzor Lev Shalem** to be our next
machzor. It is a phenomenal book filled with
traditional commentary and modern insights.
The typeface is easy to read and the layout is
user friendly. We are certain that you will love it.

The **Silverman Mahzor**, first printed in the
1930s, is now out of print and no longer
available and the machzor lacks many useful
features which are found in newer volumes.

Until Rosh Hashanah, Adath Israel is selling
Mahzor Lev Shalem at the members only price
of \$35 (it retails for \$70 and more).

While we highly encourage everyone to acquire
Mahzor Lev Shalem for these High Holidays,
please note that this year pages will be called
from both machzorim. Click [HERE](#) to view the
comparison.

For more information about **Mahzor Lev
Shalem**, to see a sample section, and to
purchase the book, please click [HERE](#).

We are so excited to welcome our ShinShinim Rom Banay and Ya'ara Gafni for the 2022-2023 school year.

We need your help

As previous host families will tell you, this is a really special way for you and your family to connect to Israel by caring for and learning from a young Israeli. The bonds created with these exceptional kids continue to impact the lives of the families who take them into their homes for years to come. If you are interested to host a ShinShin or have any questions, please reach out to anna@adathisrael.com

Parashat Devarim

Some of Deuteronomy's passages, ranging from the Decalogue to setting aside cities of refuge, duplicate contents found elsewhere in the Torah. But 70 of the approximately 100 laws in Deuteronomy are not found in the earlier books. These laws deal mostly with arrangements for living in the Land and with the new emphasis on a central sanctuary to be designated by God. Moses is telling the Israelites things they will need to know when they settle the Land, things they had no need to know before.
